Chapter 10

My voice
can't reach him
anymore....

He's too
focused....

He's too
focused to notice
anything...!!

To think he'd use
the Embodiment of
Tales this easily..

However...

an ability
that you cannot
control

brings nothing
but danger!!

Märchen!!
Stop it and
wake...

Shigeta

Knigh...

You brat, I
was going easy
on you...

But still!
You should tell
people the reason
for hitting them!

I'm too lazy
to explain~

Master~!!

Alright,
alright~

Let's just
say that I'm at
fault here~

I'll treat you
to a meal at the
village, alright?

Then let's be
on our way,
Master

Let's eat at
Chisungroo.

They're known to
have the best meals in
the lower village.

As expected, the
Embodiment of Tales
is incredible...

To think he'd be
able to use that ability
to this extent after
one reading...

If he were
to control that
ability...

consciously
and make it his
own,

Marchen
would become
a monster...

Just...

like that
man...!!

...

Why am I
gibbling about
something
like that?

Right! After that,
there's no time to
complain. The time.

Shut up!
Hurry up...

What're
you doing?
Hurry up~

Alright, just
stop nugging
me~

...and I'm already going
into despair...!

Welcome~!

What
can we get
for you?

Two pork
noodles...

and a meat
dish with some
alcohol please

Yes, yes.

Oh~
Business is
booming
here~

Well, this place
is well-known for
their meals.

But...

There are some
scary-looking people
around here.

Well,
of course.

Ehrrr?

Don't you
know?

There's been a
rumor that the mysterious
Byeol Chun Lim Clan has
appeared again.

Byeol Chun
Lim?

It's a legendary clan
whose objective is to scour
the world for martial arts
and record it.

But in reality,
no one's ever seen
them and they've worked
secretly in the mountains
for centuries.

It is said that they
record all the events of Muam.

Every martial artist
wants that information
in their hands.

The rumors
originated from
around here, so
everyone is
gathering like
crazy.

That's why there
are so many of them
around here.

Is that
right...?

But why do you
think the rumors
spread only
recently?

Well,
I don't know.

It might be because
this mountain is named
Six-Point Mountain.

and people thought
that this place was holding
of the Teyou Chan Lin Clan.
That's why they made such
an assumption, don't
you think?

Well if there
really is a clan like
that, I'd like to see
it for myself.

See
what?

The owner of
Byeol Chun Lim Chun,
the Crimson Fairy~

They say she
looks so beautiful
that she's descended
from the heavens...

She also
wears a striking
red dress...

Ah...

Just like
her?

Welcome~

Just
the two of
you?

No~ No~
That's just a
child.

The one
I'm thinking of is
a lot older...

Märchen...
I suddenly don't
feel good...

Eh?

No! Do you
know how much
I've been looking
forward-

I came here
because you said
you'd treat me to a
meal! You can't
back out now!

..Fine...

May I
take your
order?

Yes-

A likely
rumor...

and a person
who fits the
description...

Even if her
image doesn't fit my
imagination.

there's no harm in
confirming it.
